Subject: Training and Exercise Plan Workshops

Dear Public Safety Partner,

The Department of Safety, Division of Homeland Security and Emergency Management and Division of Fire Standards and Training and Emergency Medical Services request your participation in the 2014 Training and Exercise Planning Workshops (TEPW). The goal of the workshops are to develop a comprehensive Multi-Year Training and Exercise Plan with feedback from key partners.

These workshops will provide an opportunity for participants to share their training and exercise needs and priorities. Your participation is vital to assist the State develop a 3-year schedule of training and exercises that are planned, anticipated, or desired in an effort to meet the needs of the whole community to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.

Please see the attached flyer for workshop dates and how to register.

Training and Exercise Planning Workshop TEPW

What is a TEPW?

A TEPW provides the opportunity for New Hampshire's public safety partners to review and update the Multi-Year Training and Exercise Plan. The goal of the workshop is to focus on coordination of all training and exercise activities occurring throughout the State of New Hampshire, including activities sponsored by Federal agencies, State, local governments, and private organizations.

Who should attend?

All organizations that play a role in emergency management are encouraged to attend. Your organization's representative should be responsible for exercises or training within your organization. Organizations might include Law Enforcement, Fire Services, Emergency Management, Healthcare, Public Works, Hazmat Teams, Emergency Communications, Volunteer Agencies and Non-Governmental Organizations.

What to bring?

If your organization has a training and/or exercise plan, after-action reports from past exercises as well as actual incidents, grant requirements, accreditation standards or priorities, please bring those to the workshop.

When are the workshops?
